Kind & Noble

Drinkable Fruits & Vegetables

«Kind & Noble» or «კეთილი და პატიოსანი» [ke-ti-li da pa-ti-o-sa-ni] in our native Georgian language isn't just a name! This noble beverage is made exclusively by mixing fresh fruit and vegetable purees to bring nature's kindness to humans in the most conveniently gratifying form.

Zero sugar added! All ingredients are natural and useful!

Shake the bottle thoroughly to fully enjoy uplifting combinations of peach, cinnamon, plum, apple, kiwi, chia, carrot, grape, strawberry, cardamom and feijoa.

The colour of the drink for the same flavor may vary due to the natural consistency of ingredients, as there are no artificial food coloring additives involved in making it.
